ULTIMATE LIQUID WAX

Now better than ever! Experience a glossier finish, increased protection, and more water beading action! Meguiar's® Ultimate Liquid Wax is a pure synthetic wax blended for maximum performance. Water beading protection that lasts, high gloss shine & deep, dark reflections. This finely tuned wax was formulated to check all the boxes, without compromising ease-of-use. It goes on buttery smooth and comes off just as nice – even in the sun! Ultimate Liquid Wax is clear coat safe and can be used on chrome and headlights plus, it's non-whitening formula will not stain plastic trim.

Part #: G210516

Packaging: 4 per case

1 each includes:

- Liquid Wax – 473 ML Net 1 PT (16 FL OZ)
- Foam Pad – 10 CM x 2 CM (4 IN x 5/8 IN)
- Microfiber Towel – 60 CM x 40 CM (24 IN x 16 IN)

Features:

- Incredible Gloss & Slickness That Lasts
- Durable Protection That Shines!

pH: 8.8 - 9.5

Paintable: No

Dilution: RTU (Ready To use)

Application Method: Wipe On, Wipe Off

Directions: DIRECTIONS: SHAKE WELL. Work on a clean and dry surface and for best results apply to a cool surface in the shade. Pour a small amount of wax onto the applicator pad. Apply a very thin coat to a body panel at a time. Allow product to sit and dry for 5-10 minutes. Remove with the included microfiber towel, turning to a clean side for a final wipe. Continue moving around the car repeating steps 1 – 4 until you are finished.

NOTE: Can be used in direct sunlight, however, do smaller sections & wipe off quicker.

Health Rating:

Health:	0
Fire:	1
Reactivity:	0
Specific Hazard:	None
